WOMEN IN APPSEC

## APPSEC EU 2017 WOMEN IN APPSEC

# SPONSORSHIP OPPORTUNITIES

This year, at AppSec EU 2017, Women in AppSec is hosting two events to support women who want to expand their skills and pursue a career in application and/or information security.

### **NETWORKING SESSION**

*Monday, May 8, 2017, 6:00-9:00 p.m.*

A group of mentors will each give a brief talk about their experience followed by an "unconference" event. During the "unconference" event, attendees will break into groups to discuss popular technical topics. This will be a fantastic opportunity for women to engage in mentoring relationships and hear from other women in the field.

### **MENTORING BREAKFAST**

*Thursday, May 11, 2017, 7:30-8:45 a.m.*

A light breakfast will be provided for table discussions on various topics. This will also be a second opportunity for attendees to chat with mentors from Monday evening's networking session.

The Women in AppSec committee is currently seeking sponsors who are interested in supporting these events. We are offering the following sponsorship packages for each event:
